ABOUT THE EXECOM

Congratulations, it all begins at KSIT IEEE forum.

I welcome all our readers for KSIT IEEE newsletter. IEEE is the world's largest Technical professional organization for the advancement of technology. KSIT IEEE forum strives to keep our readers updated with recent developments/ happenings in the field of electronics, telecommunication and related field. On this occasion I wish all the best to those who have put their efforts in bringing out this newsletter. I hope that you will like the press and definitely be an inspiration and motivation for all students and staff to bring out good article and their contribution in the forth coming issues. I welcome your suggestions also.

-Dr.TV Govindaraju
Principal/ Director

It is with much joy and anticipation that we celebrate the launch of our IEEE newsletter for the year 2016-2017. IEEE is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity. At KSIT, IEEE student branch along with WIE (Women in Engineering) affinity group is formed with the quest of achieving our technical and professional goals with IEEE's mission and vision. And most importantly encourage our students to contribute to real world problems. The student branch organized various technical activities like workshops on Robotics, Arduino, distinguished lectures, semi technical events like Adroit'16, InnovacEEEa-2k17 and many more. The students members of our branch have done excellent job with at most dedication and discipline. Hope to move on with same pace with more sharp edge towards excellence and wider reach. We congratulate all the office bearers on completing one term in IEEE KSIT SB.

EVENTS CONDUCTED

1. Orphanage Visit

This event was planned on July 31st 2016, Sunday to visit an orphanage-Belaku sishu nivasa by the office bearers of IEEE Students Branch. It was a wonderful experience of spending time with them in guiding them for a better future.

2. Photoshop Workshop

A two day workshop on Digital Designing was organised under IEEE in collaboration with INVATI MEDIA on 20th and 21st of August 2016. This workshop helped the students to bring out the creative part of them and design to fullest of potential

3. RC Aircraft Workshop

A three day workshop on RC Aircraft was organized under IEEE in collaboration with Skyfi Labs Pvt.Ltd on 30th September, 1st, 2nd October. It was an inter disciplinary workshop to help the students to co-ordinate and work within a team. It made them understand the design, dynamics and use of hand held radio transmitter, servomechanisms (servos) and wireless communication in a RC Aircraft.

10. InnovacEEEa

One day semi technical event InnovacEEEa-2K17 was organised by IEEE KSIT SB on 11th March,2017. There was various rounds in the event like Techwars,Know your brands, Rags to riches, Treasure hunt and Ship wreck. Certificates was given to all the participants and Prizes were given.
