

## Department Of Electronics and Communication

### GARUT AERO-MODELING CLUB

The “Garut” is a Sanskrit word, which means wing of a bird. Aero-modeling is an amazing hobby. Aero-modeling involves knowing, building, and flying of the model aircraft (RC Plane, Quad-copter, Ornithopter, Glider etc.). Aero-modeling is an expensive hobby; however, Garut Aero-modeling club is trying to cultivate this hobby among students for a relatively lesser price. We are also aiming to take KSIT’s only aero-modeling club to participate at National and International level Aero-modeling competitions. These thoughts led to the establishment of the club.

#### GAC activities for the academic year 2022-2023
