Project Exhibition 2016-17

Report:

Project exhibition was conducted on 12th May 2017 for final year students along with mini project. Inauguration of project exhibition started at 9.30am in MWR lab, AEC lab and CCN lab in the esteemed presence of chief Guests along with the Principal, HOD, staff and students of TCE department.

The judge invited to evaluate were
1. Prof. Krishnaveni
   APSCE, Bangalore.
2. Dr.R.Manjunath Prasad
   Professor, DSATM, Bangalore.

The students exhibited /demonstrated their working models along with the poster. The students explained their projects, its implementation methodology and its applications to the judges. Collected the feedback from the judges regarding the conduction of the project exhibition and quality of projects. The judges addressed the students and provided their valuable insights.

The best three projects selected were:

1. Solar piezo hybrid power charging system by Ankitha A Jain and team.

2. Android based real time drip irrigation and crop protection by Neha.C.Keerthi.

3. Real time pluggable system for a normal wheelchair with sociometric solutions by Sajani R Shetty.

The judges addressed the students and provided their valuable insight
