Respected Sir,

Sub: Regarding attending Two Days Symposium at JSSATE, Bengaluru

With respect to the above subject, I would like to attend the symposium on "Internet of Things -Trends & Opportunities" at "NATIONAL SYMPOSIUM – 2018- conducted by JSSATE Bengaluru from 04.07.2018 to 05.07.2018 (2 Days).

Internet of Things (IoT) represents the next big step in the evolution of the internet, which brings along with it a change in the way we will gather, analyze and distribute data going forward. Market analysis predicts that the number of connected devices will increase from 25 billion in 2015 to 50 billion in 2020. In this context IoT becomes immensely important because it will revolutionize how we will live, learn, work, do business and entertain ourselves. Considering the current thrust on Information Communication Technologies and Electronic Sector, Design and Manufacturing by Government of India, and in view of forthcoming Internet of Things Policy in India, there is an immediate requirement of building capacity and skills around Internet of Things.

This program help us to guide the students for their final year project based on IoT and wireless sensor network. It also helps my teaching career as it is in the area of wireless communication. Please permit me to attend the same by sanctioning the registration fee of Rs. 500/- . Kindly do the needful.

Thanking you,

Sahana Salagare 2/7/18
Yours sincerely

Respected Sir,

Subject: Request for funding and NOC from the college
for participating in second round of IEEE YESIST 1
in Mysuru on 11 May 2019

We, students of final year, have got selected in
the international competition of IEEE YESIST 12 for our
final year project titled "Artificial Intelligence Based
Solar vehicle". But since the registration fees and travelling
expenses are very high we request the college to
provide us funding for the same. The Registration fees is
₹2200/- and the travelling expenditure is about ₹2000/-.

Thus, we request you to do the needful and oblige

Thanking you,

Yours Sincerely,

Anusha A. Murthy
