NOTE: This Innovation Patent cannot be enforced unless and until it has been examined by the Commissioner of Patents and a Certificate of Examination has been issued. See sections 120(1A) and 129A of the Patents Act 1990, set out on the reverse of this document.

Dated this 3rd day of March 2021

Commissioner of Patents

Extracts from the Patents Act, 1990

Sect 120(1A)   Infringement proceedings in respect of an innovation patent cannot be started unless the patent has been certified.

Sec 128   **Application for relief from unjustified threats**

(1)   Where a person, by means of circulars, advertisements or otherwise, threatens a person with infringement proceedings or other similar proceedings a person aggrieved may apply to a prescribed court, or to another court having jurisdiction to hear and determine the application, for:

(a)   a declaration that the threats are unjustifiable; and

(b)   an injunction against the continuance of the threats; and

(c)   the recovery of any damages sustained by the applicant as a result of the threats.

(2)   Subsection (1) applies whether or not the person who made the threats is entitled to, or interested in, the patent or a patent application.

Sec 129A   **Threats related to an innovation patent application or innovation patent and courts power to grant relief.**

Certain threats of infringement proceedings are always unjustifiable.

(1)   If:

(a)   a person:

(i) has applied for an innovation patent, but the application has not been determined; or

(ii) has an innovation patent that has not been certified; and

(b)   the person, by means of circulars, advertisements or otherwise, threatens a person with infringement proceedings or other similar proceedings in respect of the patent applied for, or the patent, as the case may be;

then, for the purposes of an application for relief under section 128 by the person threatened, the threats are unjustifiable.

Courts power to grant relief in respect of threats made by the applicant for an innovation patent or the patentee of an uncertified innovation patent

(2)   If an application under section 128 for relief relates to threats made in respect of an innovation patent that has not been certified or an application for an innovation patent, the court may grant the application the relief applied for.

Courts power to grant relief in respect of threats made by the patentee of certified innovation patent

(3)   If an application under section 128 for relief relates to threats made in respect of a certified innovation patent, the court may grant the applicant the relief applied for unless the respondent satisfies the court that the acts about which the threats were made infringed, or would infringe, a claim that is not shown by the applicant to be invalid.

Schedule 1   **Dictionary**

certified, in respect of an innovation patent other than in section 19, means a certificate of examination issued by the Commissioner under paragraph 101E(e) in respect of the patent

ABB

To Whomsoever It May Concern

This is to certify that Ms. Harshitha V, from Kammavari Sangha Institute of Technology, Bangalore, has completed Internship in ABB Global Industries and Services Private Limited at Bhoruka Tech Park, Bangalore, in partial fulfillment of the University course requirements from July 2020 to March 2021.

During this period, Harshitha completed a project titled 'Web UI development for Machine Data Collection' under the guidance of Ms. Beethika Dhar, Associate Project Manager, Digital R&D, MOSE. The project involved understanding the current data collection process and designing a user-friendly UI to replace it. This UI also runs the first-level validations and has been coded to be scalable in future. It formed the basis of further back-end validations for easy filtering of meaningful data for algorithm development.

During the Internship period, we found Harshitha to be sincere and hard-working.

We wish her well in all her future endeavors.

REVIEWER CERTIFICATE

Dear Surekha Borra,

Thank you for submitting your evaluation form for the journal article manuscript, "Spatial-temporal feature based sports video classification", which is currently under consideration for publication in the International Journal of Ambient Computing and Intelligence (IJACI).

As I'm sure you are aware, all contributions submitted to IGI Global publications must undergo a rigorous, double-blind, peer review by multiple industry professionals/academicians before a contribution is selected to appear in any IGI Global book or journal. By serving as a peer reviewer and completing this evaluation, you have played a critical role in this process. Additional detailed information on the rigorous IGI Global peer review process may be found at https://www.igi-global.com/publish/peer-review-process.

Also, if you haven't done so already, we recommend registering for an ORCID iD. Registering for one is free and easy and will allow you to connect your works published and manuscript reviews through IGI Global to your ORCID iD, providing you with greater visibility and credit for your scholarly contributions. You can register for an ORCID iD at the following link: https://orcid.org/register. Additionally, to ensure a streamlined and easy-to-use process, authentication is provided within IGI Global's eEditorial Discovery system, and also in the IGI Global Online Bookstore.

Please find more information on IGI Global's integration with ORCID here: https://www.igi-global.com/submission/orcid/

We appreciate your time and efforts in reviewing contributors' work for this publication as this is a tremendous service to not only this publication, but also to the field.

Dear Dr. Surekha Borra,

Thank you for agreeing to review manuscript CIBM-D-20-03645 for Computers in Biology and Medicine.

If possible, I would appreciate receiving your review by Jan 13, 2021.

If you submit your review within 14 days of accepting the invitation, we would like to offer you a free, one-year online subscription to Computers in Biology and Medicine as a thank you. Further information on this will be provided on completion of your review.

Please note that, if present, we ask you to include Highlights and the Graphical Abstract in the reviewing process.

Please submit your review online using the Editorial Manager for Computers in Biology and Medicine (you may also retrieve the PDF from this website). There you will find spaces for confidential comments to the editor, as well as comments for the author.

For guidelines on how to submit your review please go the following address: http://help.elsevier.com/app/answers/detail/p/7923/a_id/132

If you upload an MS Word or PDF document as part of your review, please follow the instructions below to ensure your file is anonymous and that your identity will not be revealed to the Authors;

1. On the Tools menu, click Options, and then click the tab labelled 'Security'.
2. Select the 'Remove personal information from file properties on save' check box.

Please note that as a part of the Your Paper Your Way service, we now differentiate the requirements for new and revised submissions. Authors may submit the manuscript as a single file Word or PDF to be used in the refereeing process, and the manuscript formatting will only reflect the peer review requirements. To find out more, please visit the journal's Guide for Authors: http://www.elsevier.com/journals/computers-in-biology-and-medicine/0010-4825/guide-for-authors

You can easily reach author references via the "View Linked References" link in the Action menu or via the Scopus search bar. If "Not Checked" is displayed, this means that either the reference is not a journal reference (eg book reference) or the reference could not be found due to missing elements. Note that reference links can only be generated if the author has provided MS Word files.

Computers in Biology and Medicine operates a manuscript transfer service to relevant title[s] in the field. This service gives authors the option, if they are unsuccessful in their original submission, to decide to have their manuscript transferred to another relevant journal without the need to resubmit or reformat.

We recognize that you are the experts in the field and we want to ensure that our editors fully utilize your comments and guidance. As such, your reviewer reports will also be internally transferred along with the manuscript to the editor of the receiving journal. This will also help to eliminate the risk of you receiving the same manuscript twice.

If you would prefer that your reviewer report is not transferred, you will be able to untick the agreement to transfer box when submitting your review.

Overall with this service we are aiming to help facilitate and develop fast, effective and truly innovative solutions to improve the overall manuscript submission and peer review process for all individuals concerned.

SPRINGFEST IIT KHARAGPUR

DATE: 29th December 2020

TO WHOM IT MAY CONCERN

This is to certify that **Srividya Murthy**, a student of **K.S Institute of Technology** had registered for **Training and Internship Program 2020** with **Springfest, IIT Kharagpur** conducted by **Ethical Edufabrica Pvt. Ltd.** from **7th October to 25th October 2020**. As a part of the Training and internship program, the candidate was required to undertake a project showcasing the aspects of the chosen training program and as a criteria towards finishing the internship.

So hereby with this letter, we acknowledge that the student has done the project on the topic of **"Data Analysis of COVID-19 in India"** as a part of the internship on **"Data science using python"** and the project has exhibited the student's ability and skill in adapting the training structure into its practical nature and focusing on the core elements of the training. The Project was satisfactory and had catered to all the key briefs handed to the student as an outline for the project.

The candidate during internship with us has shown diligence and perseverance adhering to the internship protocols set by the company and made sure that the given tasks were handled and performed with great outcome.

We wish the candidate all the very best for the future.
