

K. S. INSTITUTE OF TECHNOLOGY

BENGALURU – 560109

CORE VALUES

Quality Education:

K S Institute of Technology provides state of the art facilities to achieve excellence in their academic growth and career goals.

Honesty and Integrity:

Our institution practices highest standards of ethical values in all aspect. We give outmost importance to the honesty and integrity of the students and faculty members.

Research Work and Self-Improvement:

We have university research centers to encourage innovations and research.

Leadership & Entrepreneurship:

We encourage our students not only for placement but also to establish their own start-up.

Social Service:

We conduct various social activities under national bodies (E.g.:- NSS) to make student understand their part of social responsibilities.
